

BETH-EL/CEDARKIRK

CHALLENGE to Change

Join us for a life-changing experience! This year's trip is July 17 - 22.

INTRODUCTION

In cooperation with Beth-El Farmworker Ministry, a ministry to farmworker communities, based in Wimauma, Florida, the Challenge to Change program provides us with the full experience of service, study, worship and personal growth.

The typical day is usually divided into thirds. First, it's off to a designated work-site for hands-on work that varies in type of work as well as type of ministry. Groups can choose from tasks such as food distribution, facility upkeep at the partnering ministries, or home repair. Then, upon return to camp, there is time for rest and recreation with activities selected by the leaders. A sampling of camp activities includes climbing wall, zip line, canoeing, high ropes, team building initiatives, pool, hayride, and campfire. Lastly, we convene for worship, study, and a debrief of the day.

In the past our group has hosted a Vacation Bible School, worked on the Beth-El campus and done some farming. This year we hope to expand our mission outreach activities to the wider Wimauma community... stay tuned for more details.

FORMS

Attached are all the forms that need to be filled out. To make sure you have a spot on this trip I will need \$100 from you. If your family is able to make a donation to cover the actual \$360 cost of the trip that would be a blessing! We will have a fundraising opportunity for you to solicit donations from friends and family.
